

The members of Bath Volunteers for Service (BVS) and Bath Pony Club (BPC) are pleased to invite you to consider supporting the 82<sup>nd</sup> Annual Bath Horse Show/Mini-Trial to be held on the weekend of August 1 and 2, 2026 by becoming either a **Sponsor** or a **Donor**.

The Bath Horse Show was established in 1944 when a group of Bath High School students decided to throw a horse show to top off their riding season. Susie Crazz, her future husband Robert Wyatt and five others organized the show for the 1st Sunday in October. It was held in front of Ralph Wetmore's barn and after the vans and trailers had pulled away, the Bath Riding Club members emptied out their pockets filled with crumpled dollar bills. After the horse show expenses had been met, they even had enough left over to make a sizable donation to the Red Cross and the Bath Horse Show was born! In 2016, after many years of raising funds for the Bath Fire Department, the Bath Pony Club and Bath Volunteers for Service organizations took over the running of the event which draws participants from novice to experienced riders and provides great competition and an exciting weekend for all who attend.

Last year the Bath Horse Show raised over \$18,000! Bath Pony Club uses their proceeds for educational programs for youth and for maintenance of the Pony Club facilities. Bath Volunteers for Service's proceeds become part of their Charitable Giving Fund, which annually provides grants to dozens of local non-profit organizations and several scholarships for local students. Year after year, the generous support of our local Community makes it possible for each organization to achieve their missions.

By becoming a Sponsor or donating, you can be assured that your dollars are being put to good use and many local organizations and individuals will benefit. At the same time, your business will be highlighted throughout the community.

Enclosed with this mailing you will find a Sponsorship Form for you to indicate your level of support. We ask that this form, along with payment, is returned to us by the dates noted. ***Please note, for any sponsorships over \$1,000 which include logos printed on the Community Mailing that goes out at the end of June, commitments are required no later than June 12, 2026. For all other sponsorships or website and social media listings, the deadline for returning the form is July 21, 2026.***
